

Certificate

Weidmüller Distribution PRO

We proudly confirm that  **BIESSE**
FORNITURE ELETTRICHE
is a certified Weidmüller PROfessional Distribution Partner.

PROfessional Partner Program for Distributors

Designed specifically to elevate our preferred distribution partners and highlight their PROfessional status to our end customers.

Our distribution PRO partners are certified experts on the Weidmüller portfolio and offer:

- first access to newest product innovations and the technological developments
- wide range of Weidmüller products and solutions
- excellent consultation
- expertise and in-depth knowledge through constant trainings and preferred access to Weidmüller specialists
- best-in-class services
